Date: March 30, 2020
Statement of the Reasons for the Adoption of Emergency Measure

Consolidated Rulemaking Amending 3 NYCRR 405, 11 NYCRR 185 (Insurance Regulation 27-A) and 11 NYCRR 187 (Insurance Regulation 27-C) and Adding New 11 NYCRR 229 (Insurance Regulation 216)

On March 7, 2020, Governor Andrew M. Cuomo issued Executive Order Number 202 declaring a disaster emergency in the State of New York in response to the novel coronavirus (“COVID-19”) pandemic. Emergency measures are continuing to be put into place to effectuate the most timely and effective response to this unprecedented crisis. For this purpose, Governor Cuomo issued on March 29, 2020 Executive Order Number 202.13 (“EO 202.13”), directing the Superintendent of Financial Services (“Superintendent”) to promulgate regulations in accordance therewith.

This emergency measure implements EO 202.13 by providing certain relief to policyholders, contract holders, and insureds (collectively, “insureds”) who can demonstrate financial hardship as a result of the COVID-19 pandemic, including: (1) amending 11 NYCRR section 185.7(m)(4) and 11 NYCRR section 187.6(f)(4) to provide that premium remitted by a creditor will be assumed to provide coverage under a credit life or credit unemployment insurance policy for those insured debtors whose payments are not more than three months overdue, regardless of whether the debtor has paid a charge for such three months’ coverage; (2) adding a new Part 229 to 11 NYCRR to provide certain protections to insureds who do not make a timely premium payment to a life insurer, property/casualty insurer, or fraternal benefit society, such as an extension of a grace period for the payment of premium and fees set forth in a group life insurance policy or certificate, protection from late payment fees, a prohibition against referral to a credit reporting agency or debt collection agency, and an extension of one year to pay overdue premiums or fees; and (3) adding a new Section 405.6 to 3 NYCRR to, among other things, prohibit any premium finance agency from canceling an insurance policy due to an insured’s failure to make a timely installment payment, for a period of at least 60 days, including any contractual grace period, for a property/casualty insurance policy or for a period of at least 90 days, including any contractual grace period, for a life insurance policy, if the insured can demonstrate financial hardship as a result of the COVID-19 pandemic, and subject to the safety and soundness of the premium finance agency.

To help ease the extensive economic burden brought about by the COVID-19 pandemic, and in compliance with EO 202.13, it is imperative that the Superintendent promulgate this emergency measure for the public’s general welfare.

Superintendent of Financial Services
